ABOUT THIS WINERY

Perfectly located among the green hills of Provence, Château de l'Escarelle's vineyard is forever evolving and renewing itself. The property's 100 hectares of vines flourish in a beautiful protected green setting of 1000 hectares. The vines are planted on soil consisting of limestone pebbles, on terraces separated by dry-stone walls at an altitude of up to 500 metres, harmoniously following the shape of Escarelle's hills and Montagne de la Loube.
