ABOUT THIS WINERY

Rocca di Montemassi estate is a "milestone" in the history of Maremma.

The soil, which is predominantly clay-based and is almost devoid of silt, is perfect for allowing the vines to gain access to all their nutrients, whilst also retaining rainwater in the spring so that it can be of use later during very dry spells.

The area is bathed by the sun's rays all the way from Montalcino to Bolgheri (by the sea), thus providing the vines and grapes
